**Kia C'eed 2007 - 2009**

Compatible with double DIN devices

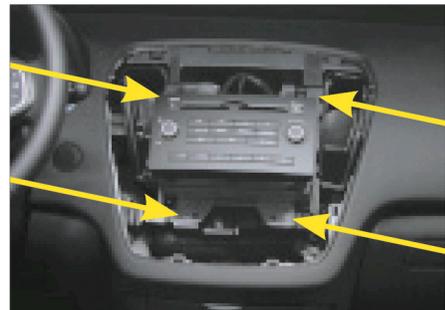

**Double DIN Set contents**

- (1) Metal Frame
- (2) Installation Kit

- (3) Facia Plate / Mounting frame

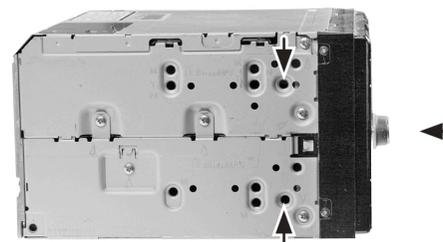

1. Remove the panel surrounding the OEM head unit. (see arrows)

2. Remove the 4 screws (see arrows)

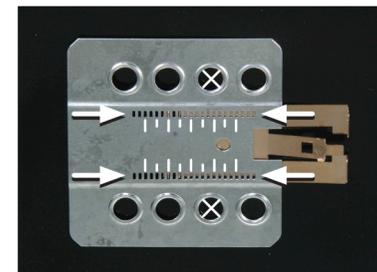

3. Remove the OEM head unit

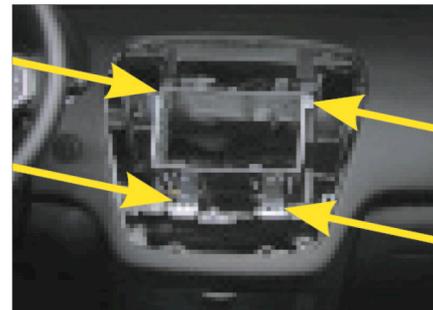

(sample photo)

Mount the metal brackets to the double DIN head unit.

(sample photo)

*The position of the copper coloured holder can be adjusted to your needs for perfect fit. (see sample)*

4. Place the Double DIN metal frame on the dash board and fix it with the 4 original screws.

5. Connect all required circuit points to the head unit and push it into the metal frame until it snaps in. Place the fascia plate.

Reinstall everything in reverse order to finish installation.
